Technopol RIZ in Krems, Lower Austria

Georg Aumayr presented My-AHA at Technopol RIZ in Krems, Lower Austria. A friendly discussion with people from University of Applied Science St. Pölten and University of Applied Science in Krems and a regional government representative showed that the chances for My-AHA in Lower Austria would be good as well. DI Dr. Verena Ossmann of Technopol was in charge of the meeting and responsible for a very positive atmosphere. We thank her for the chance to present our project there.
